eBizITPA Welcomes New Director of Advanced Technology

ERIE, PA (November 2007) --- Amy Bridger joins the Center for eBusiness and Advanced IT (eBizITPA) as the Director of Advanced Technology. An experienced business professional, Bridger has over thirteen years experience in IT support, project management, customer service, and corporate training. She will be responsible to assist start-up and small businesses in the planning, development, marketing and execution of technology related new products.

Amy received her Bachelor's degree in Professional and Technical Communication from Rochester Institute of Technology in Rochester, NY.

The Center for eBusiness and Advanced Information Technology (eBizITPA), headquartered in Erie, Pa., is a statewide Ben Franklin Technology Development Authority Initiative, designed to help Pennsylvania enterprises understand and use information technology and e-business tools.
